National Conference on Emerging Trends & Techniques For Electronic Resource Management In Libraries: Issues & Challenges

FEB 13-14, 2015

Organized by :

BIJU PATNAIK CENTRAL LIBRARY
NATIONAL INSTITUTE OF TECHNOLOGY ROURKELA

ODISHA - 769008 (INDIA)
Phone: +91-661-2462101/02
e-mail: elpes2015@gmail.com
library@nitrkl.ac.in

EMERGING TRENDS & TECHNIQUES FOR ELECTRONIC RESOURCE MANAGEMENT IN LIBRARIES : ISSUES & CHALLENGES

Electronic resources (e-resources) represent an increasingly important component of the collection building activities of libraries. Two decades after the advent of electronic journals and databases, librarians are still grappling with best ways manage e-resources. Best practices for managing e-resources are critical whether you are new or have been engaged in it for years. One important aspect of librarian role is to provide access to online resources - free, open access, or subscribed to all valuable resources, in an intuitive way for easy to use one-stop shop.

Creating a vibrant and sustainable electronic resources management (ERM) in library requires knowledge on emerging trends & techniques, and related issues & challenges. In this conference, library professionals from different region discuss on how new technologies or the best practices useful for the library users. This conference will focus current trend and techniques used in the management of electronic resources life cycle by invited talks, panel discussion and demonstration. This platform will provide clarity and ensure that electronic resources within the library are developed with due consideration of cost, technical feasibility, licensing, access and preservation requirements and constraints with an eye toward sustain ability.

Sub-themes:

A. Electronic Resource Acquisition and Implementation

- E-resources (Books, Journals, Databases etc)
- Investigation and acquisition
- Access new product
- Licensing
- Implementation access of e-resources
- Best Practices to enhance usage

B. E-resources Organizational Strategies

- Understanding budget (Management Budget, Pricing Model, etc)
- Collaborative & Participatory information
- Environment (Consortium, Networking, DDS etc)
- Embargo
- Federation & Repositories

C. Evaluation and Review of e-resources

- Evaluation of on-going access
- Usage, access query, users feedback
- Cost effectiveness

D. Scholarly communication

- Open access
- IPR/Copyright, Fair use, Plagiarism
- Digital Right Management
- Impact Factor, H-Factor
- Citation Model (APA, MLA, Chicago IEEE) & Tools (EndNote, Refworks, Bib Tex, Mendeley, etc)

E. Effective Searching and Discovery

- Discovery system
- Federated Searching
- User behavior analysis & modeling

F. Emerging Technologies and Trends

- Use of Mobile devices & QR Code in libraries
- Cataloguing e-resources using Koha
- Content Management System (Joomla integration with Koha)

G. Challenges & Issue related to ERM

Dates to Remember

Last date of submission of paper : January 9, 2015

Last date of accepted Notification : January 25, 2015

Conference Date : February 13-14, 2015

Paper Submission

Authors are invited to submit abstract / full papers for the conference as per the following guidelines.

- Title of the paper : sub title (if available)
- Name of the author(s), Institute or organization address
- Abstract (not exceeding 250 words)
- Keywords: (Five)
- Body of the Paper:
- Reference (APA style)
- Length of the paper not exceeding 8 pages (A4 size; Single space, 12 point font size (TimesNew Roman Font) and Headlines in Caps
- The manuscript should be in .doc / .docx format and send to elpes2015@gmail.com
- All the papers will be reviewed by reviewer and the corresponding author of the selected paper will be intimated through e-mail and the paper/abstract will be published in the conference volume.

About NITR

National Institute of Technology Rourkela (NITR) is a premier institute in India for higher technical education, basic and applied research. Established more than 50 years ago, NIT Rourkela is now recognized as an institute of National Importance by Govt. of India. The Institute has twenty one departments and nine multidisciplinary centers that offer undergraduate, post-graduate, and research courses leading to B.Tech., M.Tech., M.Sc, M.B.A., Ph.D. and D.Sc. Degrees. Spread across 647 acres carpeted by a lush green cover, the campus of NIT Rourkela is situated right at the confluence of the hills of Rourkela in the eastern part of India.

About BPCL

Biju Patnaik Central Library is the central library of the National Institute of Technology Rourkela. The Library caters to the educational and research needs of the academic community and its resources are consulted by scholars from all over the country. Biju Patnaik, a great social reformer set up Regional Engineering College, Rourkela. BPCL started functioning in 1965. At present, the library holds about 70,000+ books, 18,000+ back volumes of periodicals and subscribes more than 6000 online journals/, 10,000 e-books, many databases. Prior to that, the BPCL has many ISI codes, educational video courses & cassettes and CD-ROM etc. The library is fully automated and using RFID technology for transactions & securities. Library has Institutional Repository, Thesis Repository for scholarly content of the institution by using e-prints, DSpace, Greenstone & other open source technologies. This library is also associated with non profit project (OAOB) to digitize, archive and disseminate old, rare and new literary and other text written in Odia language.
