News @ BPCL

User Education Programme

User Education Programme (UEP) was successfully conducted by BPCL at the P. K. Parija Auditorium on February 03, 2016. More than sixty users were participated including Faculty, Research Scholars and UG students in the UEP. All the information about library resources, services and facilities were briefed followed by a demo to all the users.

Sarawsati Pooja Celebration@BPCL

To worship the goddess of learning, wisdom, knowledge, fine arts, refinement, science and technology. Vasant Panchami is treated by celebrants as Saraswati's birthday. People worship Goddess Saraswati to attain enlightenment through knowledge and to rid themselves of lethargy, sluggishness and ignorance.

This year BPCL was celebrated Saraswati Puja on 12th Feb., at the ground floor. At last prasad was distributed to all students and library staff presented at the puja.

Web of Science - Database Access to NITR

National Institute of Technology, Rourkela has access to Web of Science (WoS) for this year through e-Shodh Sindhu (ESS) consortia formed by MHRD.

The Web of Science (formerly Web of Knowledge) is today's premier research platform, helping you quickly find, analyze, and share information in the sciences, social sciences, arts, and humanities. To access Web of Science you may visit:

Library Link at <http://library.nitrkl.ac.in/index.php/resources/e-resources/abstract-databases> OR Direct Link at <https://webofknowledge.com/>

Recommendation for books through Annual Grand Book Fair 2015 has been collected from the participating vendors. After the reviewing process, 2635 nos. of titles (4198 volumes) have been selected for ordering. Order has already been placed and books are started coming to BPCL. Below is the recommended books by department wise.

Name of the Department	No. of Titles	No. of Volumes
Biotechnology & Medical Engineering	24	30
Central Library	15	15
Ceramic Engineering	3	3
Chemical Engineering	64	90
Chemistry	87	205
Civil Engineering	53	98
Computer Science & Engineering	276	632
Earth & Atmospheric Sciences	120	134
Electrical Engineering	36	36
Electronics & Communication Engineering	124	207
Food Process Engineering	56	56
Humanities & Social Sciences	620	632
Industrial Design	46	52
Life Science	157	286
Mathematics	180	385
Metallurgical & Materials Engineering	49	121
Mechanical Engineering	82	139
Mining Engineering	31	45
Physics & Astronomy	160	255
Planning & Architecture	208	208
School of Management	244	569
Total :	2635	4198

Sl. No.	Topics of KSS	Presented by	Date
1	Automation and Libraries – Practical Overview	Sumitra Baral	2 nd Feb 2016
2	Digitization of library materials and its importance	Prameeta Sharma	9 th Feb 2016
3	Library Personalized Information Service: Interface with Web 2.0 & Open Source Tools	Sanat Ku. Behera	23 rd Feb 2016

Trial access @ BPCL

BPCL is pleased to inform you that the trial access for the following products are now been provided for our institute. BPCL is evaluating the below products. Please use these product extensively and send us your feedback / suggestions to the library. For more details refer <http://192.168.1.126/blog/>.

ProQuest products

Product Name: ABI Inform Complete, Historical Newspapers,

ProQuest Central, ProQuest Dissertations & Theses Global

Subject areas: All Departments (mainly Management)

Target Users: All Faculties, Research Scholars and Students.

URL to access: <https://trials.proquest.com/trials/trialSummary.action?view=subject&trialBean.token=WYUHD8QQOVKLF0IBJZYW>

Trial Period:
till 10/04/2016

ICE (Institution of Civil Engineers)

Product Name: ICE Complete Engineering Journals Collection

Subject areas: Civil Engg., Constructions, Structures, Geotechnical Engg.

URL to access: <http://www.icevirtuallibrary.com>

About the product: ICE is one of the world's leading civil engineering institutions and have been around for almost 200 years. ICE Publishing produces a wide range of books and journals sharing expert advice, leading research and best practice in civil engineering and construction. Their journals represent the highest standards of research and best-practice in civil engineering. Geotechnique and Magazine of Concrete Research are internationally renowned for publishing research of the highest quality. Covering every major civil and structural engineering discipline, their journals are a comprehensive source of expertise for everyone in civil engineering.

Trial Period:
30 Days

BioOne

Product Name: BioOne

Subject areas: <http://www.bioone.org/action/showPublications?type=byAlphabet> (click here for list)

URL to access: <http://www.BioOne.org>

About the product: BioOne is a nonprofit publisher that aims to make scientific research more accessible through a growing portfolio of products including its full-text aggregation, BioOne Complete, and open-access journal, Elementa: Science of the Anthropocene.

Key Benefits: The BioOne experience is important because it attempts to take into account the connections between various agents in the chain of scholarly communication. BioOne's vision is fundamentally ecological: none of these agents can without the others, and the most sustainable model is one that seeks the success of them all.

Trail Period:
till 25/04/2016

Training /Workshop/Conference attended by Library Staff

Name	Conference/Workshop/Training	Venue and Dates	In the capacity of
Dr. Bhojaraju Gunjal	Invited Talk on " <i>Web-Scale Discovery tools: An Overview</i> " at National Workshop on "Web as a Platform for Learning and Research".	DLIS, Sambalpur University, Odisha, February 20, 2016	Resource Person
Mr. Vinod K Mishra and Mr. Kapil K Gupta	Workshop on Koha at DAV School, Barkakana, Ramgarh, Jharkhand	February, 20-22, 2016	Resource Person
Dr. Bhojaraju Gunjal	Invited Talk on " <i>Research Tools and Techniques</i> " at Capacity Building Workshop for Faculty Members of Management and Social Sciences (CBWFMSS-2016)	Department of SM and HSS, NIT Rourkela, Odisha, February 29, 2016	Resource Person
