<https://attendee.gotowebinar.com/register/2929209336515999757>

About:

Session: The session will offer a glimpse into different processes involved in writing a book with a global publisher including formulating book proposals, timelines, copyrights, royalties and other important factors. Second part of presentation will cover effective writing of journal papers, journal selection, peer-review. It will also touch upon publishing ethics and Open access (OA).

Speaker: Dr. Gagandeep Singh is currently working as a Publisher in Engineering and Environmental Sciences for CRC Press, Taylor and Francis Group in India and is in the organization for close to ten years now. During these years, he has published close to 300 books in varied areas and signed close to 500 books. He also, leads a editorial team based in India focusing on Math, Statistics, Chemical, Biological Sciences and Medicine. He holds a Ph.D. in Forensic Chemistry and Master's in Forensic Science and has published 25 research papers in peer-reviewed international journals with one patent and national award to his name.

e-certificates will be issued to all attendees.
